616, 668

Banking, Commerce, and Insurance Committee chaired by Senator DeCamp reports LB 101 to General File with committee amendments attached; Public Works reports 103 to General File; Revenue reports 282 with committee amendments; 283 to General File with committee amendments; 345 to General File with committee amendments. (See pages 438-442 of the Legislative Journal.)

Finally, Mr. President, Senator DeCamp would like to add his name to 573; Senator DeCamp to 616; Senator Hefner to 668.

PRESIDENT: No objection, so ordered. We will proceed then to LB 109.

CLERK: Mr. President, LB 109 offered by Senator Barrett. (Read title). The bill was read on January 11 of this year. It was referred to the Banking, Commerce, and Insurance Committee for hearing. The bill was advanced to General File. There are Banking Committee amendments pending.

PRESIDENT: The Chair recognizes Senator DeCamp on LB 109.

SENATOR DECAMP: Mr. President, members, this is a bill introduced by Senator Barrett. It deals with real estate laws. Senator Barrett will fully explain the bill. The committee amendment is simply a correction of a bill drafting error. In the original bill the word "owner" was put in and it is not supposed to be "owner". The word is supposed to be "broker". I ask you to accept the amendment and then Senator Barrett will deal with the bill itself.

PRESIDENT: Senator Beutler.

SENATOR BEUTLER: Just have a question of Senator DeCamp, if I may. What effect does changing "owner" to "broker", is that what you are doing?

SENATOR DECAMP: When they drafted the bill, they misspelled a word. I am correcting the spelling. It was supposed be "broker" instead of "owner". The bill itself will be completely dealt with by Senator Barrett.

SENATOR BEUTLER: Okay, so it makes no practical difference at all in the effect of the bill?
